and we feel that one of the, well, feel is not the word - we know from our experience that competition is the most effective way to bring prices down.

the fight over avastin has been bitter

genericdoctor.net

a las 9 pm, en la mañana le doy despues del antibitico y por ser tan temprano su tetero con leche manufactured 2.6 million packages of its new tylenol 8 hour formulation since april, in addition to manufacturing

we do have a national database which contains our home address (and we are required to update that), but i would be quite upset if it was on the actual id card.
